

HYDRANT/CONSTRUCTION METER RENTAL AGREEMENT

COMPANY NAME: _____

BILLING ADDRESS: _____

CONTACT NUMBER: _____

In return for the use of this fire hydrant meter, I agree to the following conditions:

The City of Columbus public works personnel will lock the meter to the designated hydrant. Only City personnel are allowed to remove the hydrant meter. If the hydrant meter needs to be moved at the request of the contractor to another location and additional fee of \$25.00 per move will be applied.

I agree to pay for any damages to the hydrant meter while in my possession and should it be lost or stolen agree to pay the full replacement cost of the hydrant meter.

I agree to pay a \$5.00 daily fee for the rental of the hydrant meter plus the prevailing rate of \$15.00 per thousand gallons for the water used.

City personnel will read the hydrant meter monthly and invoice monthly. If there is no usage reported by the meter within a one (1) month period, the meter may be removed by City staff.

Applicants are solely responsible for providing all necessary fittings and accessories to ensure proper backflow prevention and air gap protection. The City will not supply adapters or connection components to accommodate varying water truck configurations.

I agree to only use an approved hydrant wrench to operate the hydrant. The hydrant will be open fully while in use and shut down completely when not in use. Absolutely no pipe wrenches will be allowed to operate the fire hydrant.

Absolutely no ball valves will be used to control the flow of the hydrant, only the gate valve supplied with the meter will be used.

Violation of the terms of this agreement may result in the removal of the hydrant meter by the City and terminate future contracts with said contractor for hydrant meter rentals within the City of Columbus.
